The Swansea Dam

As constantly as water flows over the Swansea Dam, our high school days pass one by one until we find ourselves at the end of our high school career. Although we look forward to the exciting days ahead, we remember fondly our experiences as the Class of '62. The '62 Chief staff hopes that each year-book picture will bring a pleasant smile and perhaps an occasional misty eye when we have long since left the shelter of Joseph Case High School for wider horizons.

*Tune—*Cornell Alma Mater

*Words—*Class of 1947

Our strong bond can ne'er be broken
Formed in dear Case High
Far surpassing wealth unspoken
Sealed by friendship's tie

Mem'ry's leaflets close shall twine
Around our hearts for aye,
And waft us back o'er life's broad track
To pleasures of past day.

High school life at best is passing
Gliding swiftly by;
Then let us pledge in word and deed
Our love for dear Case High

CHORUS

Alma Mater—Alma Mater
Deep graven on each heart
Ode victorious, we go singing
As from these halls we depart

*Case High

Dedication

To you, Mr. McCarthy, who have faithfully shown willingness to help Case High School and the student body in every possible way, we, the Class of 1962, dedicate our yearbook. You have guided our football team on to victory and have inspired enthusiasm in its players. Your shining example of "Winning without boasting and losing without excuse" has taught all of us the meaning of this phrase. In addition, you have demonstrated to all the students by your own example a desire for learning and fair play. We, the students in the Class of 1962, say "Thank you."

RICHARD B. GREENMAN, SUPERINTENDENT

OFFICE OF SUPERINTENDENT
JOSEPH CASE HIGH SCHOOL
OSBORNE 8-8326

To the Class of 1962:

Like the American Colonies in 1775, you as seniors are about to leave the fostering care of Joseph Case High School and go forward on your own.

In honoring the colonial era of our country, your yearbook brings to mind such mental giants of that day as Thomas Jefferson, who graduated at nineteen from the college of William and Mary in Williamsburg, Virginia. Today you may visit Colonial Williamsburg, so reconstructed in exact detail of eighteenth century life that you may easily visualize Jefferson talking with Patrick Henry and George Washington in the Apollo Room of the Raleigh Tavern.

Possibly these Virginians were planning information to be sent by mail or messenger to Committees of Correspondence in the various colonies. These Committees served as a channel of communication for ideas leading to unity among the colonies, and later to independence from England.

Events might have happened sooner in the 1770's if information had reached all the colonies at one time by telephone, radio, television or tape recorder. There might have been quicker understanding of events if citizens had the benefit of universal education.

Today you have computers, missiles, atomic science and more space to explore. With their limited scientific facilities, however, the patriots of the colonial era held to the rock foundation of certain human values such as freedom and self government, for which they risked their lives and fortunes. Time does not change these values.

In the face of the Communist threat, you can cherish the words of Jefferson: "I have sworn upon the altar of God eternal hostility against every form of tyranny over the mind of man."

Each of you I extend best wishes in your next endeavor. You will take your place with thousands of graduates, young citizens who will use modern science to preserve the human values held high in colonial days, better we word the United States of America.

Sincerely yours,

Richard B. Greenman

HELEN A. REAGAN, PRINCIPAL

Dear Graduates,

The pattern of education in a moral and physical sense is not subject to change. The basic truths that have been given to you during your years in the Joseph Case High School will sustain you in the larger and the more complex world you are about to enter.

Your faith, interpreted and fostered by your church, will be your constant guide if you are loyal to its teachings. From your academic courses you have gained an intellectual knowledge and curiosity that will permit you to satisfy your material ambitions. Your physical education classes and your participation in the sports points a definite order for the preservation of your physical well being. Thus we have attempted to train the entire individual.

Now as you make ready to leave your high school, I would like to re-emphasize the following precepts:

Renew your faith and courage. Dare to stand for the principles of high ethics. Be a person of integrity and be considerate. Be willing always to adjust for the mutual benefit. Let your viewpoint be charitable and your judgment lenient.

To each of you I bid Godspeed.

Helen A. Reagan

HELEN A. REAGAN, PRINCIPAL

To the Class of 1962:

You have been living in an era which might be called the old frontier. In fact, this is the theme of your year-book. However, you are now about to live in an era which might be termed a new frontier. This frontier has no limits except the limitations that you have within yourselves. This is true of all human endeavor. We are only limited by our own fallibilities.

Consequently, you should prepare to become a part of a changing world whose very existence depends on your ability to cope with these changes. Just a few short years ago man was bound to the earth and today he soars through space. The technological and scientific advances which have made this change possible have created a deeper problem and it is this problem of the new frontier for which you must prepare yourself.

If you, as an individual, can learn to live harmoniously with your neighbor, then this country can learn to live with other countries. This is the greatest problem in the space age today. We are challenged, as a nation, to prove that we believe in a peaceful, democratic life. The United States can only be as strong and respected as you are with the people with whom you associate. I urge you to become a well-informed member of an enlightened electorate to foster a better life for this country in its dealings with other nations.

My personal best wishes to you.

Edward R. Silva

SPORTS

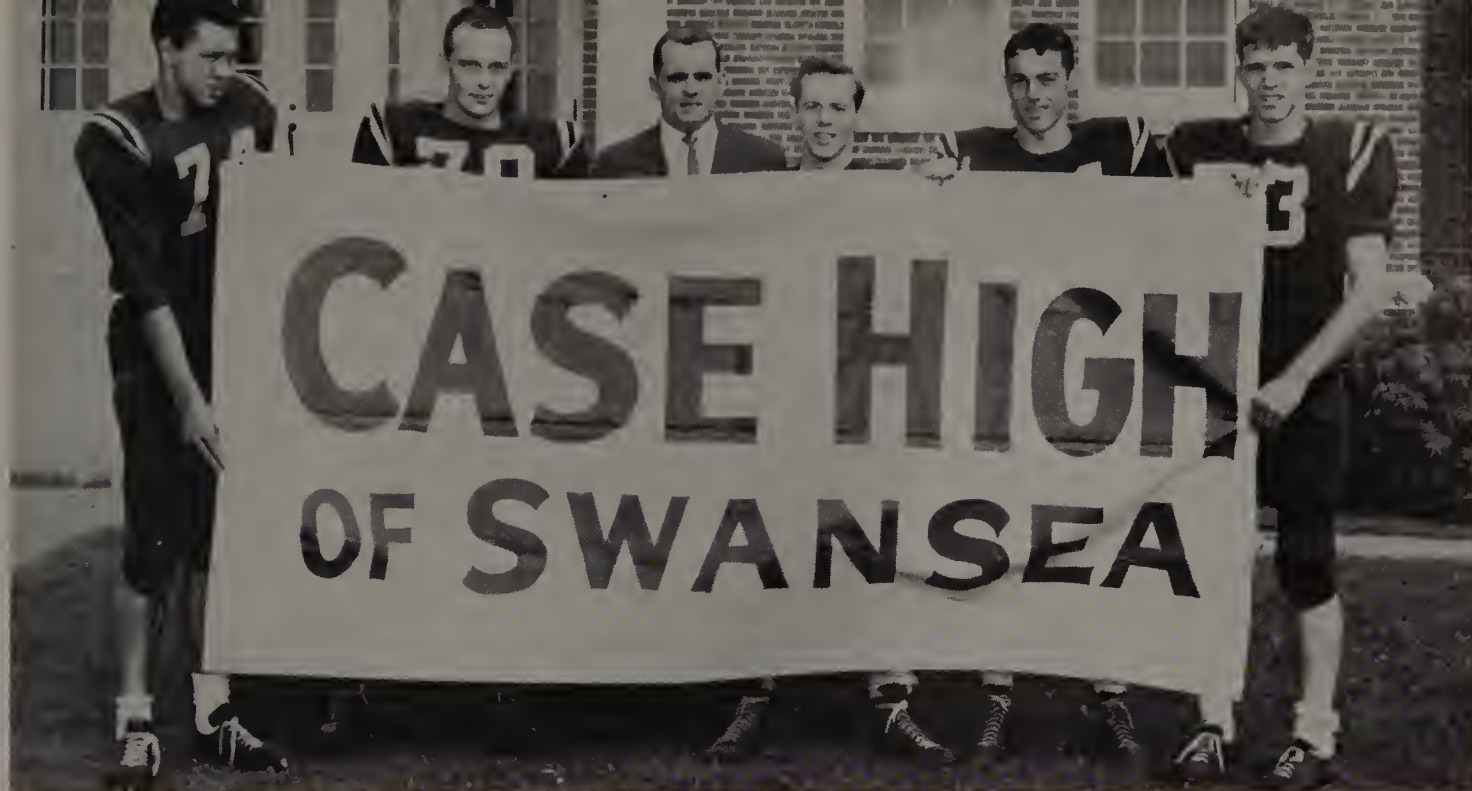

Small but mighty was the Cardinal football team for the '61-'62 season. Team spirit helped in gaining seven victories with only one tie and one loss. The "Alouettes," as the team was called, gained league recognition by upsetting Barnstable 14-7. In spite of the team's record, the Cardinals had to settle for second place in the Tri-County League. All work was not in vain, for nine boys were elected to the first two teams of the All Tri-County Teams.

CLASS HISTORY

Class History

and etiquette.

September 1959 brought a deeper sense of responsibility. We diligently undertook a candy sale and sponsored two class dances. Our advisor was Mrs. Alice Fallon and our officers were: President, Henry Dumas; Vice-President, Jean Young; Secretary, Susan Ward; Treasurer, Joyce Medeiros.

As juniors we became a closer knit class led by President, Katherine Kirkman; Vice-President, Susan Ward; Secretary, Marcia Borge; Treasurer, Joyce Medeiros; and Advisor, Mr. Paul Monahan.

In the fall of 1958, we entered Joseph Case High School as a group of uncertain, yet enthusiastic freshmen. Our eyes gleamed with bright hopes for future success. We assumed our duties as a class under the leadership of our newly-elected officers: President, Joan Young; Vice-President, Jean Young; Secretary, Fay Marshall; Treasurer, Susan Ward; and Advisor, Mrs. Mary Sullivan. Highlighting the year was our riotous trip to Benson's Wild Animal Farm. Our Freshman Prom, christened "An Oriental Evening," and Freshman Class Day gave us an opportunity to practice our social amenities

"Ring Day" found us eagerly awaiting our class rings which symbolize our formative years at Case. We will long remember the pandemonium of the Junior-Faculty Game which provided many rollicking moments. In the spring, we sponsored the Junior-Senior Prom, "Auf Wiedersehen," one of our most satisfying accomplishments. Our class, with Prom Co-Chairmen Jean Benevides and Raymond Chouinard, showed great ingenuity and teamwork in accomplishing such a tremendous task.

We will fondly remember our senior year as one of diligence and gay social

whirl. Advised by Mr. Paul Monahan, our class was headed by President, John Schaefer; Vice-President, Dennis Quinlan; Secretary Carolyn Dewey; and Treasurer, Jo-Ann Hickey. Our two publications, "The Chief," edited by Karen Riendeau, and "The Cardinal," added to vivid memories of our senior year. The spaghetti supper, undertaken to supplement our treasury, offered unusual experience in rolling meatballs and stirring spaghetti sauce.

The festivity of the Senior Banquet, the solemnity of Chapel Week, the gaiety of Class Day, and the finality of graduation concluded our years at Case.

The Daughters of the American Revolution

The Daughters of the American Revolution are proud to present the D.A.R. Award to Marion Joyce Mederios. Joyce was selected jointly by the faculty and the senior class for her outstanding citizenship, leadership, and scholarship.

Joyce has unselfishly given of her time and energy to Case High School and to the Class of '62.

We, the Class of '62, extend to her our best wishes for a happy and successful future.

The Harvard Book Award

Each year the Harvard Book is presented by the Harvard Club of Fall River to a boy in the junior class who has shown character and ability. Frank, an outstanding, intelligent, and all-around member of the class of 1963 is considered a true leader and patriotic citizen worthy of this honor. Congratulations and best wishes to you, Frank, for future success from the faculty and Class of 1962.
